

EOI Reference Page	Query	Amendment Suggested	Reply
Page 3, 1. Background (Last Paragraph)	The EOI does not specify the Scope of the Project. i.e how many units under AHP are being planned for the state?	The Scope could be added as part of the EOI Background information	As on end of Feb 2020, 366 projects for construction of 356343 houses with an estimated cost of Rs. 21198.51 crore are sanctioned under Affordable Housing In Partnership vertical of Pradhan Mantri Awas Yojana (Urban) across the State. Implementing agencies will propose houses in future also.
Page 3, 1. Background (Under Affordable Housing in Partnership vertical of Pradhan Mantri Awas Yojana (Urban) in convergence with State housing schemes, different implementing agencies have been <u>constructing houses in the urban regions for eligible site-less poor.</u> Under these projects, GoK is providing land at free of cost)	Can we have a district wise breakup of number of units with current stage of construction of all such AHP projects?	The Break up required is essential to arrive at a figure to standardize a policy specifically for AHP.	Project wise details on no of DUs approved and physical progress is enclosed at Annexure -1.
Page 4, 2. Eligibility Criteria for Primary Lending Institutions(PLI's)	What would be the logic for selection of Banks/ PLI for this EOI? Would the EOI be awarded to multiple Banks /PLI? If yes, how will the allocation be made amongst banks and PLI's; Will it be made Project wise or District	NA	EOI will be awarded to the Multiple banks/PLIs. AHP Projects are spread across the State. Hence, beneficiaries identified under these projects will be divided among the existing banks.

EOI Reference Page	Query	Amendment Suggested	Reply
	wise?		1 st preference will be given to those banks which offer lower rate of interest.
Page 12, Annexure 3, ROI	For Annexure-3, against ROI can we submit a range ?	NA	No. tender conditions prevails
Page 4, Loan Sanction Mandatory Documents	PAN is usually taken as mandatory document as a standard measure across industry for Home Loans sanctions, can this clause be amended?	Can PAN be made into a mandatory document and clause amended alongside?	No. tender conditions prevails
General	RGRHCL would also be required to enter into a tri-partite agreement (i.e between RGRHCL, Beneficiary and the bank or PLI)as a standard practice under AHP component of PMAY, the same was not explicitly mentioned in the EOI document.	Request the clause to be added in EOI.	Tri-party agreement will be entered between bank and beneficiaries and implementing agencies (Urban Local Bodies, Karnataka Slum Development Board, Urban Development Authorities). However, Implementing agencies will not give guarantee on behalf of beneficiaries. The responsibility of the Implementing agencies will be limited to the selection of beneficiaries and allotment of houses. However the property may be mortgaged to the bank with consent of the beneficiaries.
